WHO IS BARKFIELD ROAD?

Welcome to Barkfield Road, where quality and wellness is our #1 priority for our fur-ever friends!

We are proud to serve as your local one-stop shop for quality products that are pawositively delicious, nutritious, and just doggone FUN! At Barkfield Road, we are passionate about giving back to our community, whether you stand on two legs or four! Our expertise in health and fitness, combined with our abundant love for our furry four-legged friends, allows us to provide you with the best shopping experience pawsible.

From one pet parent to another, we understand how important it is to provide the very BEST for our dogs. Just as we prioritize our own health and wellbeing, we empower our customers to do the same for their pets. We also understand how challenging it can be to sift through all the low-quality mass-produced brands out there that do a disservice to our dogs health. Nobody wants that!

We believe in the power of making small changes everyday. As an extension of your home, we make the ruff decisions for you so you can focus on having fun with your pet and living life to the fullest! We remove the guesswork by only carrying the BEST quality products available, so you can rest easy knowing you're making the right decisions for your family. We're confident the individualized attention and care you receive at Barkfield Road will put a smile on you and your pups face.

BRAND MESSAGING

LENS, VALUE, AND POSITIONING

BRAND LENS

THE ADVOCATE

As a supporter and promoter of social change, The Advocate is compelled to transform social issues and empower people to use their voices for a cause that may be unpopular, obscured or that others don't want to address. The Advocate is dedicated to what Ram Dass calls "compassion in action." This archetype activates empowerment and change by bringing people on side, inspiring them to a greater calling and defending those who are not yet able to advocate for themselves.

WORD BANK

Picture the brand word bank as a verbal "mood" for the brand. The brand voice is not only about tone, but the language thats chosen to associate with the business. Being consistent with language choice is important because it helps the audience create an automatic association with the brand.

MOOD WORDS - How the brand feels when customers interact with it.
